MEMORANDUM FOR: Executive Secretary

Plans Coordinating Board bromp-

Room 311, Executive Office Building

Washington, D. C.

SUBJECT

: Post-Bandung Thoughts

1. At the PCG alternates' meeting on 5 May, the Chairman referred to a paper that had been discussed by Mr. Dulles at the most recent PCG principals' meeting, commenting on light of the Bandung Conference and suggesting This matter was considered in connection with an agenda item on U. S. policy toward neutral nations. In the course of discussion I promised to make copies of this memorandum available, especially to Mr. Barbour. I now have the copies and in Mr. Barbour's absence I am sending them to you. I suggest one copy be transmitted to Mr. Barbour or Mr. Stevens for information only and the others used as you see fit.

I should like to emphasize that this is merely an internal CIA staff paper and should not be regarded as an incursion by this Agency into fereign policy making.

> RICHARD M. BISSELL, JR. Special Assistant to the Director for Planning and Coordination
